MEMBERSHIP CORNER/Membership Committee 2026

Message from the Membership Committee

People do not join Rotary because of our history alone; they join because of how they experience us today. First impressions are formed quickly and often quietly—through body language, conversation, inclusion, and follow-up. February invites us to look at our club through new eyes and ask whether our environment feels open, engaging, and accessible to someone walking in for the first time.

Belonging & Shared Humanity: Belonging begins when people feel seen, valued, and connected, not because they are the same, but because their differences are respected and welcomed.

- February – Black History Month

“History has shown us that courage can be contagious, and hope can take on a life of its own.”

Invitation to Action

Welcome a voice you do not hear often into a friendly conversation.

Membership Snapshot

Metric	This Month	Last Month	YTD
Total Members	134	137	134
Member Attrition	—	3	9
Membership Goal	—	—	141
New Member Progress	—	—	8

Interpretation: Membership growth remains below the pace required to offset historical attrition. While the club has achieved modest net gains year-to-date, attraction must accelerate to reach the annual membership goal and support the club’s future sustainability.

Ways to Engage This Month

- Upcoming meeting: 4th Thursday at 11:00 AM (prior to club meeting)
- Volunteer opportunity: Club meeting greeter, weekly ticket sells, mentor to new members, and community projects (listen for committee announcements)

January 29

We had a moment of silence and shared memories about long-time Rotarian John Overington who passed away in January 2026. President, Eric Stenger presented Tim Guerino, our newest member, with his new member badge. Welcome to the club, Tim! Chazz Printz receives a Paul Harris award. Dale Ervin, VP of LCW Construction presented to our club.
