## Rotary Grants

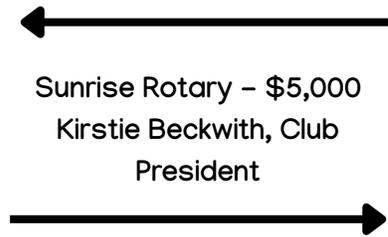

### 8 local non-profit recipients receive grants.

Kimberly Gilbert-Toelle delivers the good news and a big check to 8 local non-profits who applied for grants during the open application period for the 2025/2026 annual grant cycle. The Grants committee consists of 10 members led by Kimberly, the committee Chair. Applications for this year's grants cycle opened in Dec 2025 and concluded on January 31, 2026. The committee received 25 grant applications totaling \$334k. The grants committee members review applications a few weeks prior to gathering together for the official review process. This process is led by committee Chair, Kimberly Gilbert-Toelle. This year the committee had the hard decision of narrowing down the grant's requests from 25 non-profits requesting \$334k to 8 non-profits requesting \$54K – actual awards given. The photo above was the group photo taken of all grant recipients along with Grants Committee members who were present at the meeting.
