District 7360 | Club 5296

The Chesapeake and Ohio Canal National Historical Park runs from Georgetown in Washington D.C. to Cumberland, Maryland. The Park, locally known as the C&O Canal, preserves 200 years of America's history and offers over 20,000 acres for visitors to enjoy nature and recreate. The C&O Canal Trust is the official nonprofit partner for the C&O Canal National Historical Park, dedicated to raising funds and managing programs to preserve the Park.

C&O Canal Facts:

- 184.5 mile-long towpath that runs the length of the Park. Popular for hiking and biking.
- Over 1,300 historic structures.
- 113 rare and threatened plants and animals.
- 20,000 acres.
- Largest national park in Maryland.
- Over 5 million visitors in 2022.
- 16th most visited national park in the nation (2021).
- Visitors spent an estimated \$84.5 million in local gateway regions.
- 2021 was the 50th anniversary of the canal becoming a national park.
- Runs through Washington D.C. and four counties in Maryland: Montgomery County, Frederick County, Washington County, and Allegany County.
- Park Visitor Centers are located at Great Falls, Brunswick, Williamsport, Hancock, and Cumberland.
- Vegetation along 260 streams, three bodies of water, and 27 springs helps filter runoff and protect quality before it reaches the Potomac River and the Chesapeake Bay.
- The towpath connects at Cumberland, MD, to the Great Allegheny Passage, a 150-mile trail that goes all the way to Pittsburgh. It is on the bucket list of many cyclists to bike all 330 miles from Pittsburgh to Washington D.C.
