District 7360 | Club 5296

## Chem-Pak, Inc.

Mike Duane is the Vice President and General Manager of Chem-Pak, Inc., a third-generation contract manufacturing company based in Martinsburg, West Virginia. With a background in strategy and manufacturing, Mike brings a hands-on approach to leadership – balancing long-term vision with operational excellence. He is focused on building strong teams, streamlining complex processes, and helping both Chem-Pak and its customers succeed in a fast-changing marketplace.

Chem-Pak was founded in 1966 by Mike's grandfather Pete Duane, who started the company with a young family and no guarantees—relying on grit, vision, and creativity to turn a salvaged production line into a viable business. That spirit of resilience and problem-solving became the foundation of Chem-Pak's culture. Today, Mike and his father, Randy, carry that legacy forward, leading the company through continued growth and modernization while staying grounded in the values that have guided it for more than 50 years.

**Color Match**
