Grapevine

Aug 15, 2024
District 7360 | Club 5296

Ashley Horst, Executive Director of the Stubblefield Institute, spoke to our club this week. The vision of the Stubblefield Institute is, we believe that when differing viewpoints are respected and considered in ways that avoid labeling, alienation and silencing, it can strengthen our nation's ability to solve problems. The ways they are supporting this vision is by modeling how it is done by offering town halls, forums and debates to the community for free. They also have a American Conversation Series and Community Engagement Conversations. To learn more and find event info please visit their website at stubblefieldinstitute.org

Darrell Shull found this article on the Library of Congress website which shows when our club was founded and by who. Very cool. The paper is dated April 19, 1921. Thanks for sharing, Darrell.
