Martinsburg Union Rescue Mission

For over six decades, the Martinsburg Union Rescue Mission has served as a beacon of hope in Martinsburg, offering guidance to those in need. The Mission's foundation lies in Matthew 28:19-20, commanding us to create disciples for Jesus Christ. Our programs aim to equip individuals to reintegrate into society as responsible, contributing members.

We foster a forward-thinking mindset that encourages program participants to become disciples of Christ through equipping, educating and empowering. This enables them to rejoin the local church and community with the necessary tools to contribute positively.

We believe that every person we assist holds value in the eyes of God and within the community. By demonstrating this value, individuals can discover the hope that resides within them.

The Martinsburg Union Rescue Mission is dedicated to ensuring that all individuals who seek our assistance receive the Gospel accurately and directly from the authority of the Bible. We employ a range of programs as a means of introducing the Gospel. For further information on each program, kindly click on the link below.
