SAN MAR FAMILY AND COMMUNITY SERVICES

Elisa Mabina

Since 1883, San Mar's commitment to children and families hasn't changed. The San Mar mission is cultivating hope and well-being on children, families and communities. The vision is that children are safe and nurtured, families are strong and resilient, and communities are connected and thriving, so that achieving dreams is possible. Today their work is carried out through three core programs:

- San Mar Treatment Foster Care
- The Jack E. Barr Center for Well-being
- The Bester Community of Hope initiative

San Mar's Great Bicycle Tour is their largest fundraiser over the last 37 years. This is a 184.5 mile charity bicycle tour down the C&O Canal. Originally conceptualized by San Mar's former CEO "Top Dog" Bruce Anderson, San Mar has consistently hosted the bike tour annually, even hosting a virtual tour during the COVID lockdown. This four-day fundraiser has become an integral part of San Mar's brand, and lifelong connections made from the ride are an eternal source of pride.
