#NoOneFightsAlone

Breast Cancer Awareness, Inc. is an organization that is staffed with individuals that can give you the tools and community to fight your diagnosis and continue with support long thereafter. We are familiar with the anxiety and questions a diagnosis of breast cancer can cause and we are here to share our knowledge, experiences and resources to make sure that no one fights breast cancer alone.

For Any Person Going Through Chemo

Welcome to Barb's Boutique

BCA, Inc. offers a variety of free programs and services designed to support local individuals navigating breast cancer. Funded by grants, donations, and community events, we provide crucial educational resources, emotional care, and practical survivorship essentials. We assist with early detection for uninsured individuals. We also operate a full-service wig boutique, providing wigs, care kits and scarves to ALL cancer patients who are experiencing hair loss. All of this to ensure that no one fights alone.

Each wig comes with a care kit that includes a wig brush, stand, cleaning supplies, and care instructions.
