

# Grapevine

Oct 17, 2024

District 7360 | Club 5296

## Who is Otavio?

Otávio (17) is a young Brazilian who is very proud of the country where he was born. He has many dreams and desire to travel the world, get to know different cultures and accumulate knowledge. He loves listening to good music (old, but good), is passionate about Interact and dreams of one day becoming a Rotarian.

## My relationship with Rotary

6 years ago I joined the Rotary family and since then I have participated in countless projects and held various roles in Rotary Kids and Interact.

## My family

Libby Riley introduced Otavio, who is our exchange student. He is staying with her for 1/2 of the school year while Tim Hott will host Otavio the second half.

Top right photo: Faith Christian Academy student guest, Caleb Goff, spoke to our club about his community involvement and plans for the future. Bottom right: Interact students from FCA and Spring Mills High School, walk the parade route with our club members during the Apple Harvest Parade over the weekend. We spotted lots of potential members!!

# WORLD POLIO DAY

## 24 OCTOBER

#EndPolio | [endpolio.org](http://endpolio.org)

This Thursday is World Polio Day. Our Club will donate \$300 to support #endpolionow to Rotary International. Photos: Both our club and the Spring Mills Satellite Club volunteered during the Apple Harvest Pancake Breakfast over the weekend. Our Exchange student, Otavio along with fellow Interactors also volunteered. This weekend was a great example of our club coming together, regardless of personal differences, to serve our community. Thanks to everyone who volunteered.
