Breast Cancer Awareness

This month we recognized Breast Cancer Awareness month at each meeting. During our last meeting in October, we heard from fellow Rotarian and Breast Cancer Survivor, Jane Hamann. Jane is passionate about educating people on the aftereffects of breast cancer on the individual and the family/caregiver and recurrence rate. Jane mentioned the “Golden Rule”. She says, ask yourself, “Would I want someone to say this to me?” Do I really understand. She warned about “pinkwashing”. She says people are already aware of breast cancer and that the attention should be on what we are going to do about it.

Do You Have a Cancer Survivorship Plan?

In October We Remember

Club President, Tracy Regalia, challenged each member to wear pink on the last day of Oct in support of Breast Cancer Awareness and that she would donate \$5 per person who wore pink to a local non-profit. A donation of \$185 will be made.
