rotary youth exchange

Students

Youth Exchange is an opportunity for you to experience something new - a new way of living. There are long-term, lasting a full academic year, and short-term, from several days to three months when school is not in session.

Parents

Give your student (15-19 years old) an opportunity of a lifetime. They will become a global citizen. They will learn a new language, discover another culture and develop lifelong leadership skills and friendships.

Host Families

Enrich the lives of your family by hosting an exchange student from another Country. This is a great opportunity to gain new perspectives and make lifelong friends.
