## Program: Emelly Salazar Barrera, Eagle Scout

"My name is Emelly Zuniga Barrera and I am the first Latina Eagle Scout in West Virginia and 3rd out of 4th in the Shenandoah Area Council. I've been apart of Scouts of America for 4-5 years but before that I was also apart of Girl Scouts at the Boys & Girls Club and a member of Venture Scouts Crew 25. Being a girl in Scouts is like a whole other world. Since it opened to girls back in 2017, I and the many girls I've meet have taken this opportunity to excel in skills that will be beneficial in the future. My troop is Hedgesville Troop 37G and we have 11 girls, and all those girls know how to make a fire with resources around them, they can camp in harsh conditions, they know first aid, and so many more skills. One of the skills that has helped me is the automotive maintenance merit badge, it assured me of what to do when I got a flat tire in the middle of the road and to perform an oil change. Life saving and cooking merit badges has also played a part of being beneficial in my life with earning my lifeguarding certification and my parents do use my cooking one to their advantage as well. Because of Scouts I was able to experience new things and earn many achievements, I've never shot a gun before but now i am NRA certified with rifle and gun merit badge."

"This upcoming school year I will be attending Virginia Military Institute in August for Air Force ROTC and majoring in International studies and arabica as my foreign language. After graduating VMI I will commission into our United States Air Force and join the Special Tactics officers! And thanks to Scouts of America and AFJROTC I have inquired the knowledge of responsibilities in leadership that will help me during my active-duty journey."

## Upcoming Rotary Club Calendar & President notes:

Keri Goodwin has agreed to be the point of contact for scheduling greeters. Please sign up.

Our Board of Directors met last Tuesday. One agenda item that we discussed was changes in our dues. We're still discussing this rather touchy subject.

From last week's speaker: If any of your members like to work together to pick a specific performance of one of the CATF plays this summer, we'd love to host you for a pre- or post-show discussion. Let me know if any of your members are interested and I'm happy to set that up. See Steve Truax or Michelle Sadat if you are interested
