Asian Pacific American Heritage Month. In the United States, the month of May was chosen to commemorate the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the completion of the transcontinental railroad on May 10, 1869. The majority of the workers who laid the tracks on the project were Chinese immigrants.

Older Americans Month, established in 1963 to honor the legacies and contributions of older Americans and to support them as they enter their next stage of life.

Jewish American Heritage Month, which recognizes the diverse contributions of the Jewish people to American culture.
