PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working with various partners on the following projects:

- **Dictionary Project** — putting a dictionary in the hands of every 3rd grader in Berkeley County.
- **Scholarships** — Holding the Rotary 4-Way Test essay contest. Providing scholarships to seniors.
- **Shelter Box Kits** — sending one shelter box to assist with the Haiti relief efforts.
- **Ending polio** — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all.

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

I first joined because I thought the business contacts would be helpful to my career. They were! I also got involved in a few committees in which I enjoyed the work and fellowship with others. 47+ years of Martinsburg Rotary has been a joy and privilege. — Buzz Poland

Rotary is important to me because it allows me to connect with business colleagues, as well as community agencies and non-profits. I love how it allows me to give back - in a big way. — Maria Lorensen
